Dear Parents,

Recently I made inquiries to the Murwillumbah Theatre Company in an attempt to take all of Stage 2 to the upcoming theatre production, “The Magic Pudding”. Unfortunately notification regarding the Theatre Company’s upcoming events was being sent to the College and not to the Primary school; as a result notification to the Primary school was not received. Consequently when I made inquiries I was told that the event was booked out!

The Good News!!!! I was contacted this morning (Wed – 24th Oct) to say that there had been a cancellation and that seats were available for this coming Friday’s performance. As a result I have confirmed that our Stage 2 classes will be attending.

The cost of the performance is $4.00 per child. The students will leave school at 9.30a.m walk to the Murwillumbah Civic Centre for the 10.00a.m. show. The show runs for approx. an hour and a half, at the conclusion of the show the students will walk back to school, arriving at approx. 12.00p.m.

We are asking that students bring in their permission slip and money on either Thursday / Friday. Students who do not bring in their permission slip will NOT be able to attend and will remain back at school. The students need to wear their correct school uniform and bring a drink bottle. A late recess will be held when the students return to school.

It is anticipated this will become an annual event, whereby Stage 2 (Year 3/4) students each year will attend a live theatre production and the Middle School (Year 5/6) students will attend the Byron Writers Festival.

We are also seeking parent assistance (2 parents per class) in supervising the walking of the students to and from the Civic Centre. Parent helpers are free of charge. If you are able to assist please complete the permission slip below. Selection of parents will be on a “first in, first serve” basis!

Again I apologise for the short notice, but as you can appreciate this was unavoidable.

Yours sincerely,

Brian Laybutt
