PARKING, BUS & ROAD MANAGEMENT PLAN

Please note the following procedures for road safety management at Mt St Patrick Primary. Please refer to the map overleaf:

MORNING:
1. All morning buses will drop students off outside the front of the College (Main Rd), students are to walk through the College into the Primary School. Some selected buses use Qld Rd as a morning drop off for students.

2. Morning car arrangements: “Kiss and Drop” zone along Mooball St. Parents are to park for two mins only and remain within five meters of their car.

AFTERNOON:
3. Bus Zone along Mooball St. in the afternoon only. No cars are to use this area between 2:30 – 4:00pm

4. Afternoon Pick Up: The one way street adjacent to the College basketball courts is the allocated afternoon Pick Up area. Students will walk along the designated path (see map) to the undercroft / grass area adjacent to the Gilbey Centre. Parents wanting to pick their children up MUST wait in their car. As students arrive they will be escorted to the car by a teacher. We are asking parents to complete the form below and return it to the school if they wish to use this area. We are asking parents to display their family surname inside their front windscreen- on the passenger's sun visor is ideal. This will allow teachers to identify cars (parents) from a distance and therefore call students forward. By completing the form the school will make up a laminated sign for you to display.

5. Parents wishing to come into the school to pick up their children or see a teacher etc. are asked to park along Queensland Rd and access the school via the newly installed footpath.

6. Parents are strongly discouraged from parking on the western side of Mooball St (as indicated on the map). Safety issues for students & parent’s crossing the road between buses is of a significant concern for the school, bus drivers and council. Angled parking is deemed illegal by the council in this area.

7. Parking within the showground is not allowed, this is private property

Please detach and Return:

FAMILY SURNAME

YES I intend to use the newly created afternoon “Pick Up” facility. Therefore I request a laminated sign with our surname be created to be used each afternoon of the pick-up. The sign will be placed on the inside of the car windscreen
